Dear students,

welcome back to Collegio!

Today begins a new year full of expectations and results to be achieved.

You know better than I how much living the years of university studies at Collegio is an opportunity for discussion and sharing; continue on this path, be curious and take every opportunity that Collegio offers you.

Welcome the new Collegio students with a smile and be available to those who are starting such an important adventure.

And don't forget that you are in Turin. Experience the city, because Collegio is a beautiful world, but there is a lot outside too!

With the best wishes for a year full of satisfaction, I greet you with affection,

Collegio Einaudi President
