Method of constructing the rankings

A ranking will be made for each grouping based on the sum of the scores listed below:

- up to a maximum of 110 points corresponding to the grade of bachelor's degree³;
- up to a maximum of 30 points corresponding to the weighted average of the exams taken in the entire bachelor's degree course;
- up to a maximum of 15 points awarded by a Scientific Committee appointed by the College Board, which will evaluate:
 - a) the time taken to finish studies;
 - b) the evaluation of the course of study done partially or fully in English;
 - c) A set of information about the student's graduation record (e.g., number of honors earned, foreign course, any extracurricular activities, etc.).
- up to a maximum of 5 points awarded by Collegio's Staff to those having confirmed their study place in Collegio for a. y 2023/24 thus reaffirming their loyalty to the Einaudi community project.

The judgment of the committee will be final.

The final rankings will be published on the College's INTRANET **by February 10, 2024**. Notification of the publication will be given via social channels and the College's website.

Arrangements for disbursement of awards

Prizes will be disbursed in **one lump sum, by the end of March 2024**, by bank transfer to a bank account in the name or joint name of the winner(s).

Any incidental expenses related to payment transactions (e.g., foreign transfer) will be borne by the winner/winner.

Following the publication of the rankings, winners will have to communicate their bank details by filling in or updating the IBAN area of the Student Portal.
