In the event that, in the grading system in force in the country of origin from which the qualification was awarded, there is no grade for the bachelor's degree, the candidacy will be placed in the last position in the ranking.

In the event of a tie, for the purposes of inclusion in the ranking, it will be considered the date / time of submission of the application for admission (the candidacy presented earlier will have a higher position in the ranking).

### 1.4.1 Publication of the results

Provisional results will be announced on September 23, 2024 via e-mail and on the Student Portal, and after two calendar days, they will become final.

Students who will win a study place will receive within three working days from the publication of the final rankings, via ticket on the Student Portal and communication via email, the notification of assignment of the study place.

### 1.4.2 Waiting lists and scrolling criteria

Following appropriate scrolling carried out by Collegio, students on the waiting list will be able to obtain the assignment of a study place as new study places become available during the academic year.

These scrollings will be possible until the waiting lists are exhausted and in any case no later than 30 June 2025.

The notification of assignment of the study place, following the scrolling of the ranking, will be sent to the student within three working days via ticket/email on the Student Portal.

### 1.4.3 Distribution of study places

## CH. 2 - ASSIGNMENT OF STUDY PLACES

### 2.1 ACCEPTANCE OF THE STUDY PLACE AND RELATED DOCUMENTATION

To report the assignment of a study place, Collegio will send the winners a notification of the assignment of the study place via a ticket on the Student Portal or email communication. The ticket/email will indicate all the modalities for accepting the place and paying the contribution, to be made strictly within the indicated deadline (approximately five calendar days).

In order to accept the assigned study place, the winners must:

pay **the 1st installment and the security deposit** and upload the payment receipts in the OTHER DOCUMENTS area of the Student Portal, according to the deadlines indicated in the notification of assignment of the study place;

The first entry into the College (check-in) must be made within 60 calendar days from the date of the start of the stay stipulated in the hospitality agreement. Failure to submit within that time will be considered as a renunciation of the study place (without the possibility of obtaining a refund of the security deposit and installment already paid).

The assignment to the specific Residence Hall will take place in accordance with the order of preference expressed in the admission application, taking into account the study places available in each Residence Hall and the progressive assignment in descending order of merit.

It will not be possible to request a transfer to another Residence Hall after the assignment and during the academic year; this transfer may be requested as part of the participation in the Call for Confirmation for the following academic year.

It is understood that Collegio reserves the right, even after the signing of the housing agreement, and for objective reasons, to change, during the academic year, the room initially assigned and also the Residence Hall of first assignment.

<b>SINGLE BAND</b>	<b>€ 1.074</b>	<b>€ 1.432</b>	<b>€ 1.074</b>	<b>€ 3.580</b>

In the case of assignments during the academic year, the breakdown into installments and the relative amounts will be calculated on the basis of the start and end dates of the stay indicated in the housing agreement.

Upon payment of the 1st installment, the payment of the security deposit, equal to € 200.00, is required, regardless of the contribution bracket. This deposit will be returned upon the occurrence of the conditions detailed in chap. 2.6.3 and in the housing agreement.

## 2.7 MOBILITY AND ABSENCES FROM COLLEGIO

### 2.7.1 Participation to mobility programs/internships

Students who benefit from an accommodation in Collegio and who will be engaged in mobility programs/internships for the AY 2024/25, lasting more than 2 months, are required to request the suspension of the accommodation benefit for the mobility period exclusively through a specific form on the Student Portal<sup>2</sup> by following deadlines:

- By July 31, 2024 for departures in the first semester of the academic year;
- By November 25, 2024 for departures in the second semester of the academic year.

Such students are also required to upload, in the UPLOAD DOCUMENTS UT area of the Student Portal, appropriate documentation attesting the participation to the mobility program (documentation issued by the Home University to confirm the international mobility period throughout the AY 2024/25 and, if the mobility period is not indicated, a self-declaration, pursuant to DPR 445/2000, containing all the information on the project).

<sup>2</sup> It should be noted that, if conditions for international mobility will not guarantee the physical movement at the partner university, the student involved in a mobility program, for the AY 2024/25, will be given the opportunity to keep hold the accommodation at Collegio, on condition that the student fulfils the number of hours corresponding to that of students who are not involved in mobility programs (according to the “DISCIPLINARE PFP” in force)

## Admission 24|25 - International

*For International regularly enrolled students (EU and Extra-EU)*

Any communication sent by email or other means will not be considered. All the students who, throughout the AY 2024/25, will participate in mobility projects and/or internships lasting more than 2 months and which disallow the regular stay in Collegio, will be obliged to proceed as mentioned above and to leave the room assigned to them within the scheduled deadlines summarized in the brackets below.

During this period, Collegio will not request the payment of the contribution charged to the student and will proceed, where appropriate, to refund part of the instalment paid according to the table of chap 2.6.2.

### 2.7.2 Storage during the temporary suspension of the accommodation

Students who will be engaged in mobility programs/internships for the AY 2024/25 and who will get the temporary suspension of the accommodation availability, will be able to use a dedicated storage (namely 'Erasmus') at the residence Crocetta to leave, during the mobility period, their non-valuable personal belongings in closed boxes with their names on them.

The transfer of packages from the student's residence to the 'Erasmus' storage must be done by the students and an appointment must be arranged with Crocetta Residence Hall. More information is available at the following [link](#).

### 2.7.3 Students returning from mobility programs/traineeship

Students who have had accommodation availability suspended for mobility programs/traineeship and willing to return to the Collegio in the AY 2024/2025, will be able to apply for the Call of confirmation for the AY 2025/2026.

Students involved in mobility programs abroad, whose study period is due to finish before the end of the academic year, willing to return to the Collegio, will be able to apply for a room within two different periods (henceforth brackets) of reentry described below.

A ranking list of the re-entry applications received will be established, according to the following criteria:

- 1. Number of years spent at Collegio Einaudi<sup>3</sup>;**
- 2. In the event of a tie, by the number of University years;**
- 3. In the event of further tie, by the lower ISEE value;**
- 4. In the event of further tie, by the drawing of lots.**

Students returning from mobility programs will be given a room in the same residence hall they were assigned to before the temporary suspension, subject to the availability of the residence hall itself. Should no place be available in that residence hall, students will be assigned to one of the remaining residence halls.

Re-entry from mobility period will be run in the following ways:

### 1st BRACKET

Students involved in mobility programs abroad, whose study period is due to finish by March 1, 2025, will be able to apply for a room during this bracket.

#### *How to apply:*

Those students who have obtained a temporary suspension have to fill in the application form (available on the Student Portal) **by November 30, 2024**, to request to return to the Collegio within this bracket and to confirm or possibly to update the date when the mobility project abroad ends, which may be at most March 1, 2025.

<sup>3</sup>The years spent at Collegio are calculated regardless of the actual month of entry into Collegio during the academic year. As an example, a student who entered the Collegio on 23/9/2019 and a student who entered on 20/5/2020 both have, as of 22/2/2021, 2 years of Collegio seniority.

## Admission 24|25 - International

For International regularly enrolled students (EU and Extra-EU)

### Ranking and room award:

Collegio will establish a ranking of the re-entry applications received by the deadline according to the criteria described above; with regard to this ranking, Collegio will therefore assign the rooms, if available, to the re-turning students within Christmas holidays, as soon as possible once all the renouncement and leaving procedure have been elaborated.

Around 75% of the rooms left before Christmas holidays will be reserved to students returning from mobility programs, except for rooms reserved to particular agreements for the second semester.

Students obtaining a room within the 1st bracket will have to pay the whole 2nd installment, no matter what the date of their re-entry is (at most March 1, 2025).

Those students who will not be able to return to Collegio during the 1st bracket due to unavailability of rooms, will be listed in the ranking for the 2nd bracket, without priority right.

## 2nd BRACKET

Students involved in mobility programs abroad, whose study period is due to finish by May 29, 2025, will be able to apply for a room during this bracket

### How to apply:

Those students who have obtained a temporary suspension have to fill in the application form (available on the Student Portal) **by February 15, 2025** to ask for re-entry in Collegio within this bracket, by confirming or updating the end date of the study period abroad.

### Ranking and room award:

Should the number of applications be higher than the available rooms, Collegio Einaudi will establish a ranking of the reentry applications received by the deadline according to the criteria described above, including those students within the 1st bracket who have not been able to return to Collegio Einaudi due to unavailability of rooms; according to this ranking, Collegio Einaudi will therefore assign the rooms, if available, to the students within the payment of the 3rd instalment's deadline, as soon as possible once all the renouncement and leaving procedure have been elaborated.

Around 75% of the rooms left after the payment of the 3rd instalment will be reserved to students returning from mobility programs.

Students obtaining a room within the 2nd bracket will have to pay 4 monthly installments (April to June), no matter what their date of re-entry is (which, by the way, is at most May 29, 2025).

**Collegio Einaudi will not provide students whose study period abroad ends after May 29, 2024** willing to return to Collegio Einaudi in June and July 2025: Collegio has not provided a specific bracket for these cases because it is not possible to estimate if some accommodations will be freed after the payment of the 3rd instalment; however, should some rooms be available, Collegio Einaudi will accept further applications of re-entry for the months of June and July: a ranking will be established in the order of their receipt only if the ranking of the 2nd bracket is empty and if there are free accommodations.

### 2.7.4 Prolonged absences

Students who - during a.y. 2024/25 - will be absent from Collegio for a period longer than two months for reasons other than international or national mobility programs/traineeships, regulated by chapt 2.7 of Admission/Confirmation call, will have to notify it on the Student Portal via ticket, specifying the period of absence and the reason why. In these cases, students may receive the same treatment as those students in mobility programs.
