# Call for study Abroad Program

Selection criteria:

- Collegio seniority<sup>2</sup>;
- In case of a tie: academic merit (as in Ranking B);
- In case of a tie: lottery draw.

## Ranking B – Academic Merit Criteria

<b>Sezione CROCETTA:</b>	4 contributions
<b>Sezione SAN PAOLO:</b>	4 contributions
<b>Sezione PO:</b>	3 contributions
<b>Sezione VALENTINO:</b>	3 contributions
<b>Sezione MOLE ANTONELLIANA:</b>	3 contributions

Selection criteria:

- Academic merit (based on the study award calculation method, considering achievements between **September 1, 2024, and July 31, 2025**);
- In case of a tie: Collegio seniority (as in Ranking A);
- In case of a tie: lottery draw.

If the student is ranked as a winner in both rankings, the contribution will be assigned based on the ranking where they hold the highest position, thereby freeing up the spot in the ranking where they hold the lower position.

In the event of a tie in both rankings, the contribution will be assigned based on the seniority-based ranking, freeing up the spot in the academic merit-based ranking.

Students who have previously been awarded the same contribution in past editions will be placed at the bottom of the ranking. If a section ranking is exhausted, the contributions will be reassigned to the section with the longest waiting list (within the rankings compiled using the same criteria).

**By April 17, 2026**, the **provisional rankings** will be published on the Collegio's website. Candidates may submit any observations via a ticket on the Student Portal.

The **final rankings** will be published by **April 20, 2026**, on the Collegio's website, and no further modifications will be possible for any reason.
