Art. 3 – Selection Committee and Awarding Procedure

Applications will be evaluated by a Selection Committee appointed by the Board of Directors.

Depending on the number of applications received, the Committee may decide to conduct an interview with the candidates. For all categories, only the first 50 applications received will be considered, and for the "Starter" categories, only students awarded a study place at the Collegio during the first or second allocation rounds will be eligible to receive the benefit. The results of these allocation rounds will be announced by August 7 and August 12, 2026, respectively.

Three separate rankings will be drawn up (one for each category), based on the following merit criteria:

- **Starter "diplomati/e" ranking**: score out of 100, consisting of academic merit (up to 60/100) and potential (up to 40/100) assessed during the admission process for the BAM (Admission Call) 2026/27.

  In case of equal scores, **the high school diploma grade will be the tiebreaker.**

- **Starter "iscritti/e" ranking**: Score out of 100, consisting of academic merit (up to 60/100) and potential (up to 40/100) assessed during the BAM admission process 2026/27.

  In case of equal scores, **the highest number of honors will be considered.**

- **"Runner"[4] ranking**: Score calculated from the weighted average of exam grades obtained in the a.y. 2025/26 (exams taken between October 1, 2025, and July 31, 2026), multiplied by a correction factor equal to the lesser of "1" and the ratio between the number of credits earned in that year and the Collegio threshold of 32 credits.

  In case of equal scores, **the highest number of honors will be considered.**

After evaluating applications and drafting rankings, **the Committee will assign the benefits at its sole discretion**, reserving the right not to award them if there are insufficient and/or unsuitable applications.

The results – showing only the **USER ID (e.g., 100003) of each candidate**, together with the benefit assignment/ eligibility – will be published by **August 7, 2026** on the Collegio Einaudi website, in the dedicated page.
